

# Enterprise Incident Reporting Policy V1

Enterprise Incident Reporting Policy V1

Department: Security

Document Type: Policy

Access Level: restricted

Version: 1.0

## Purpose

This document defines operational guidance for the Security department. It is written for employees, managers, auditors, and support teams who need clear enterprise procedures.

## Policy Details

Access reviews are performed every quarter for privileged accounts.

Security incidents must be reported within 30 minutes of discovery.

Multi-factor authentication is mandatory for email, VPN, and cloud systems.

Confidential documents must not be shared using personal email.

USB storage access requires manager approval and business justification.

## Responsibilities

Employees must follow the procedure, managers must review exceptions, and department owners must keep this document current. Exceptions require written approval and must be recorded for audit review.

## Review Cycle

This document is reviewed annually or when a business process, compliance requirement, security requirement, or technology platform changes.
